

## *Intown Playgroup* Enrollment Application

---

More than forty five years ago Intown was established by a small group of Georgetown families. It has remained a warm and nurturing place where children, parents, and caregivers come together to socialize and learn. Parent participation is key and each child benefits from not only the Intown staff but from a parent or caregiver who attends with the child. Our interior space is thoughtfully arranged with areas designated to encourage dramatic play, climbing and tumbling, sensory discovery, building, sorting and classifying, and literacy. Additionally we have a private toddler playground where children can safely play outdoors. Intown is a non-profit.

The following applicants are given priority:

1. Members of Mount Zion Church
2. Children already enrolled at Intown
3. Siblings of current or past Intown students (not including summer camp)
4. Children of past Intown alumni

The remaining spaces are filled in an effort to create groups with a complement of ages and gender. **Intown does not discriminate on the basis of race, color, national or ethnic origin, or religion.**
